## 2024 Mayoral Candidate Questionnaire

### Candidate Response: **Ellen Lee Zhou**

#### 1. WHAT WILL YOU DO TO ENSURE THAT SAN FRANCISCO FOLLOWS ITS OWN POLICY TO OFFER APPROPRIATE SHELTER TO UNHOUSED INDIVIDUALS PRIOR TO CITING OR ARRESTING PEOPLE?

I will Re-evaluate all existing homeless scam non-profit organizations first, trace the money back, re-direct money / resources to house all dying un-housed people on the street. 60% of the unhoused homeless people are NOT from San Francisco. My new administration will prioritize local residents, workers and families first. When I am the San Francisco Mayor 2025, no one should be dying on the streets due to un-housed. The evil career politicians use 'homeless' as a business for their own political gain. Current puppet masters (<https://timetofreeamerica.com/>) will not able to end homeless because they "need" homeless to get public funds to run their "non-profit" scam. My new team will end homeless scam in San Francisco. I am a Republican and I am pro-life mother, plus I am a Healer / Social Worker, which I am very good at ending social problems. Every life matters to God. We are all God's children.

#### 2. HOW WILL YOU INCREASE EMERGENCY SHELTER AND AFFORDABLE HOUSING IN SAN FRANCISCO?

100%, my new team will work with federal and state level to declare emergency to clear all un-housed people off the streets, placed them in "military" style of medical tents, plus all available resources. We then re-evaluate all homeless people, see who are they and what are they, how long have they been abused by evil government leaders. Then, we will house them with self-skilled jobs to maintain their life away from current wicked government leaders. I do street ministry for Jesus Christ, An Appeal to Heaven since 2020. I met and interviewed many drug abusers, homeless, drug dealers and non-local street people. I found out many of the "controlled" outcome by the wicked and sick agenda 21/ agenda 20230(<https://stopworldcontrol.com/>) leaders, purposely corrupted the public systems. When I am in Office, we will utilize and work with property owners to release their empty buildings to save San Francisco. With 36% to 40% empty buildings and business, my new team will get things done according to the "humanitarian" way, which meant, all people are human beings, no one should be eating garbage from the garbage

cans. We are precious in the eyes of the Lord. My team will take care of the people who need affordable housing. We will take care of the severely mentally ill to 24/7 board care. They are human beings.

### **3. WHAT DO YOU SEE AS THE ROLE OF ALTERNATIVE TO INCARCERATION AS A FORM OF ACCOUNTABILITY WHEN A PERSON IS ARRESTED?**

As a pro-life woman of God and a Family Social Worker, I believe in second chance of life. I believe we are facing a spiritual battle in San Francisco. We are all sinners and all of us make mistakes. I believe incarceration is necessary for criminals, who are violent and endanger to the society. Those who are not at risk to the society, but mentally ill or unhealthy individuals, we should place them with employment training programs, provide them job training to work their life out, help them by training them with survival skills. I personally our current prison system is NOT working to help people for second chance of life. Many of the return criminals did the same crimes due to basic needs such as stealing to survival. As a new Republican San Francisco Mayor, I will access on each individual's needs and strengths to train them to be independent, so they can live a life according to God' will in them. I do street ministry with ex-drug dealers, ex-criminals, ex-prostitute, etc. But they renew their life because they are willing to repent, turn from their wicked ways. God save them and use them to do good for others. As a mother, I felt in pain seeing young men and women selling their body (prostitution) to survival. I will work with faith community to heal their people from the streets and from the criminal system. They are all human beings. They souls and hearts belong to God, the God of Abraham, Issac, Jacob and America. If they are willing, my new team will be willing, yes, then God is willing.

### **4. WHAT IS YOUR OPINION ON ESTABLISHING A PROGRAM (SUCH AS CART) AS AN ALTERNATIVE TO POLICE CALLS TO RESPOND TO PEOPLE WHO ARE UNHOUSED, STRUGGLING WITH SUBSTANCE ABUSE, OR IN MENTAL HEALTH CRISES THROUGH THE PUBLIC HEALTH DEPARTMENT? PLEASE EXPLAIN.**

I was an ALERT member working with the police dept. I was a Family Social Worker for City and County of San Francisco for almost 20 years. I witness how politicians corrupted the public systems. I watched how city leaders mis-used funds for their own gains. I believe CART is a good program to free police. I also believe if SF, our city is crime free, then why do we need these many robotic police? Robotic police means many police just work for their paycheck. In reality, they can not perform tasks as police because the failed polices do not support police to do police work. As a new

mayor, I will empower the police to do their job according to the US constitution and common law. I love the fact CART does not cost the taxpayer funds compare to police. I will support law enforcement to be law enforcement, feel good for what they do, not like right now in fear.

**5. SAN FRANCISCO MEASURE E SHIFTED CERTAIN POLICYMAKING AND OVERSIGHT POWERS RELATED TO POLICING AND SURVEILLANCE FROM THE BOARD OF SUPERVISORS AND THE POLICE COMMISSION TO THE SAN FRANCISCO POLICE DEPARTMENT. WHAT SAFEGUARDS, OVERSIGHT OR REVISIONS WOULD YOU SUPPORT TO PROVIDE PROTECTIONS FOR THE RIGHTS OF PEOPLE IN SAN FRANCISCO?**

If you understand what common law and the U.S. constitution, then you know, we, in San Francisco does not have a government for many years. We have a deep state or shadow globalists' One World Order government. The government supposed to be controlled by the "People". But currently, London Breed acts like "God". She wrongfully terminated all UN-vaccinated public taxpayers workers in 2021 and 2022. When SF required a vaccine card to dine inside a food court, then we did not and we still do not have a People government. As of today, August 12, 2024, all Public health workers in SF still required covid19 shots or no job. We have not have a People government for many years. Until today, we still have 32 active lawsuits against London Breed for wrongfully terminated all unvaccinated workers. London Breed still refused to re-instate all unvaccinated workers. As your new mayor, I will re-instate all un-vaccinated workers back to work ASAP. What you see in current SF city hall, is run by agenda 2030 puppet masters, sick globalists representatives. They are nothing but tyrants and communists. When I am your new Mayor in 2025, I will give back the power to each neighborhood to monitor their community income and expenses according to their desire. People know how to work their local community needs. The government should stop out of the People's business. I will invite business back to monitor public servants. They current police systems failed to protect our public safety and health. My new team will re-train local residents to take control. I will work the Sheriff to admonish PEOPLE to do their own commission, for the People, by the People. I am for San Francisco first. I am for America first. I opposed wars that is happening now. I support closed borders. I am for legal immigration. I stand up and against all odds to run this impossible mayoral campaign. We have 13 mayoral candidates. I am the only conservative pro-life Republican with a sound mind. May God bless ACLU to defend lives. May God open heavens to stop the madness and lies in SF city hall soon Thank you. [www.MayorEllen.com](http://www.MayorEllen.com) I love you all.
